Dear Enquirer

RE: CARICATURES FOR YOUR SPECIAL DAY

Thank you for your enquiry. Caricatures are a lovely memento of a special day and I can draw your guests humorously with a big head and a little body doing a hobby or pastime they enjoy. I can draw individuals, couples and small groups. I commence your day by drawing the 'happy couple' and once the main couple have been drawn people are enthusiastic to have a go themselves!

Caricatures are in black and white on good quality A4 paper, take about five minutes per person and presented in a wallet so your guests can keep their picture safe, ready to take home as a unique memento of your special day.

My costs for your special day are from £295 dependent on area for approximately three hours. This includes all the drawing work carried out during the day. I will mix and mingle with your guests, chatting and drawing and generally making sure everyone is having a good time! It's a great icebreaker and will get your guests chatting about their pictures!

In order to secure a booking, please complete the enclosed form and return this with a deposit of £50 made payable to C. Ryder.

If you have any further queries please do not hesitate to contact me.

Yours sincerely

Chris Ryder

Caricature of the Happy Couple

The guest book!

Prior to your wedding a colour caricature can be drawn of you and your partner from photographs. This can be placed in a decorative mount for guests to sign round in gold pen. It's a great idea and replaces the guest book! You can have this framed to display on your wall as a memento of the guests that came on the day.

Cost £120 (not including the mount) in colour
£70 in black and white
£20 to have artwork mounted.

Below is a typical picture of a Bride & Groom with their caricature!
